

Warehouse space now available in our secure facility in the Jet Park area.

The space available is a High Rise palletised area with over 2000 pallet positions and capabilities for both bulk and fine pick and pack. The facility also includes a bond store area for bonded goods, has cross-dock capabilities and provides CCTV coverage in and outside the warehouse.

Our warehouse management system includes:

- Inventory management - by lot, expiry date, size, product code, etc.
- Receiving
- Bin allocations
- Picking
- Packing
- Despatch
- Stock replenishment

Ready, Willing, Warehouse Space
